Respect Awards

THE FOLLOWING GUIDELINES MAY HELP WHEN DECIDING ON THE MARK.

A frivolous attitude to this aspect of league administration will not be tolerated.

A mark of 10	Exemplary conduct by ALL members of the club, both on and off the pitch
A mark of 9	Only minor problems with one or two teams members. General conduct excellent.
A mark of 8	General conduct of the majority of the team members above average expectations, but some minor problems experienced.
A mark of 7	Although the vast majority of the team behaved well, two or three members behaved in an unacceptable manner or the majority of the team did not always behave in a sporting manner.
A mark of 6	Many members of the team behaved in an unacceptable manner before, during or after the match. They did not appear to always respect the referee or their opponents, and did not respect the referee's decisions.
A mark of 5	Unacceptable conduct of the team showing little regard to the elements of fair play and causing the referee unnecessary problems.
A mark of 4	The vast majority of the team acted in a manner that took most of the enjoyment out of the match for all concerned, and played throughout with scant regard to opponents' safety.
A mark of 3	Lack of respect for all aspects of the game, serious discipline problems within the team.
A mark of 2	Extremely serious discipline problems.
A mark of 1	Showed a TOTAL lack of discipline in this match.

NOTE: Your league may not operate the RESPECT marks system, in which case these options will not be shown.

Click on the 'Edit' button to enter the number of cards awarded to your players (if any) and the marks that you are awarding the referee for this match.

Optionally add RESPECT marks, if required.

The 11-a-side formation looks exactly the same, but with a classic 4-4-2 layout

Player details

Each position will have a drop-down box for you to select the player who played in that position, together with a button to indicate if this player was your Man-of-the-Match.

The 3 card tick-boxes should be marked as follows for each player:

- Single yellow card awarded - tick the 1st yellow card only
- Two yellow cards awarded (resulting in a sending off) - tick BOTH yellow cards only (**do not click the red card**)
- Single yellow card followed by a straight red - tick the 1st yellow card AND the red card
- Straight red card awarded - tick the red card only

Enter the number of goals scored by this player (or zero if no goals scored)

Substitute details

A screenshot of a mobile application form for entering substitute details. The form has a brown background. At the top, there is a white input field containing the number '14'. Below this is a row of three colored boxes: a yellow box with a white square, another yellow box with a white square, and a red box with a white square. To the left of these boxes is the text 'MOTM' and a radio button. To the right is the text 'Goals Used' and a white input field containing the number '0'. Below the colored boxes is the text 'Replaced' and another white input field. A green vertical bar is on the left side of the form.

These should be completed exactly the same as for a starting player, with the addition of two extra fields.

Tick the 'Used' box if this substitute played and also select the player that they replaced.
